Subject: Permit Fees and Annual Reports, Northstar Clay Mines Inc., January Mine Dump, S/023/0100, Blackjack Mine, S/023/0106, Juab County, Utah

Dear Mr. Hansen:

This letter is to request that Northstar Clay Mines, Inc., resubmit the W9 forms for the January Mine Dump and Blackjack Mine. The State Treasurer and Zions Bank do not consider the forms on file valid because the Utah Minerals Regulatory Program is listed in the box provided for the requester's name, and because the account numbers are shown as the permit numbers. Both of these boxes are optional, so please leave them blank. Incorrect information invalidates the forms.

Please resubmit the W9 forms with these two sections left blank. The Division requests that you e mail a copy of the form to Penny Berry at pennyberry@utah.gov for review prior to actual submittal.

Enclosed are copies of the W9 form. Please contact Penny Berry at 801-538-5291 or Wayne Western at 801-538-5263 if you have questions concerning the form.

Sincerely,

Paul B. Baker
Mining Program Manager
